Note that these are just a few examples for available scholarships. The list is subject to change and there is no guarantee for funding. If you cannot find anything, there are two useful databases which will give you updated information on available scholarships:

1. A database with scholarship programs available to foreign students in Germany can be found on the DAAD website: <https://www.daad.de/deutschland/en/>
2. German citizens will find further information here: <http://www.stipendien-tipps.de/>
